A : priority, respect to words (G, V), M no fear(500, Gopi family dinner), asking to call others, caring on small small things(packing), quality of items giving, interrupting while others speak, disturbing sleep always, father money is different my money is different

Birth time, my coming, my decorations, me taking care Ghovendhan, my insurance not important, Sister only did everything?

Temple: mappilai ku 5 mins wait pana matringa naa ethuku ungalukaga adjust pani varanum

Vj : if my matter delay, (car, driving), G first, plates to Saravananpatti, aadamabara selavu for unnecessary things and tells no money to me

Vanitha : disrespecting father in front of crowd, feel superior and commenting everyone, enga kudumbatha pathi kevalama, enaku onum vaalkai kudula yarum

Janani : B, stole money, shawl,bag, not spoke to father even when he is sick for 1 month

Vinoth : 1000 for day, not did anything just talk, vj more trust on him, thirupitu nikra

Polite : 6 verity of food, my other responsibilities in weekends,

Common: Srisailam, close door and not picking call on first trip out

Delivery time:

- Child is waiting for delivery for father, Janani taking pics, vedio calls, showing to strangers, pulled my daughter from hands
- Video, my effort in decorations is not worth for Nandhini, Vanitha could have stopped everything but not did anything
- Vijay locked door, not spoke at all for 3 days, lying on few things, no bike.. No respect to my father
- Vanitha - 'Naa pandrathu matum thapa therithu', Going to function or what I am eating?, wearing mask when carrying my baby out of hospital while others no one weared
- Janani - Stealing 8000, Dominant bitch, Made me to go out, showing ego and angry
- Nandhini - 5mins can't think of me and baby and my effort simply going back to your sister what kind of love you have, me and my mother priority and presence is not important, Not told even a word about me or mom, complaining small small things about mom(have not asked mom where I went, not cared about mom's money, telling she is disturbing our privacy), showing angry, athati merati peasarathu, doing micro managementh, 8000 rs, Janani is stealer
- Vinoth - Discarding to pick up my parents, even after speaking not responded, showing ego (No need), Neenga irrukra nala naa inga irruka..
- Divya - Talking the words of Janani(Should not speak any thing against them, Getting married is big thing for me)
- Veeru - serkai seri ila, Anna
- Nandhini - Priority, Meratrathu, Kovapadrathu, Guilty ah feel panavekrathu, after telling that much about Vinoth still supporting him, lot of lies, keeping worst and giving not needed items to me
- Mine - crossed lot of distance, Sirichu peasara gra nala ilicha vayan ila, Pattu pattu nu sona easy ah break aagidumea nu asigna patalum amaithiya poidra..
- No importance to me and my mom
- To Baby :: Feeling 1 yr within a month, no need baby as her father has expense, reason for girl choice is because of Ghovenhhan, if I come leaving alone and going outside ful family

Must ask: can't u keep ur sister aside and see how much effort I did for once, not even mentioned once about me or mom to baby always ur family, ur father didn't speak for 3 days u only see ur father and mother and sister side, one thing understood clearly I am a guest and I am always a guest I only assumed something and behaved

A love : from marriage not did anything for me, complaining to everyone, giving gift which I don't use which means don't know about me, angry, taking sides.. Calls, preferences, priority, replys, action shows otherwise, lying, acting.. Other

mama's words are more important, asking what you bought what you will buy what you will do etc., revenge motive(just because I told don't take photo or vc she not showed to me or my family), showing intelligence only on me just because I told she is dumb, When taking baby to where also not telling and going but telling everything to Gokul.? And expecting something from me?

**To Nandhini:**

- **Everything going as per you think, if something I don't agree you show your angry on me, I am not like that**
- **For everything you need your sister's presence, for everything I need my brother's presence.**
- **When you are ready to take to my temple, I am ready to come to your temple.. Who are coming to my temple??**
- **Why your sister is buying things you know because you keep her first, Oru naal en pakka irruka niyatha pathu enaku support pana na theriyum...**
- **Asking anything to me might feel like begger why you know because you never should by me for anything so it should feel like that only.. Manasachi poisolathu**
- **When I am going to chennai, slowing enjoying rain and coming late and asking me to go with driver.. But perfectly waiting for janani call..**

To Sudhiksha : Bias is from them as they told about boy baby, Potapulaya pethutu nu sonathu

Gokul : Not came to marriage or while baby born, speaking in vedio call is enough?

Vinoth family: not invited for single bday, not visited for 1 years stayed here, took sweets to mama and asking me sweet for Diwali, Dikshit matter

To public : 3 strikes, Respect of not attending call & not answering in call if some question asked, acting in function and group gathering, enaku first time ooti vitha the valaikapula avolo verupu manasula vechutu munatha naal sptanenu theriyathu but elarthu munadi ooti vidra pasama irruka mari action
